Simple Yes/No = The only valid answers are Yes or No.

Complex Yes/No = Answers may include a qualified Yes or No (e.g. Yes, for county and municipal zoning) or another response (e.g. Planned).

Yes/No w/ Fill-In = There is a fill-in line associated with at least one of the answers (e.g. Yes - Please specify the resolution \_\_\_\_\_).

Simple List = The only valid answers are provided in a list of check boxes that are in a single column.

Simple List w/ Fill-In = There is a list of check boxes in a single column with a fill-in line associated with at least one of the answers.

Complex List = Valid answers are provided in a list of check boxes, but they may be in multiple columns.

Complex List w/ Fill-In = These questions are complex and can have answers with a combination of check boxes, fill-in lines, and multiple columns.

Fill-In = Answers are input on a blank line (e.g. What is the name of Land Information Officer for your county?).

Dollar = The answer is a dollar amount.

Percent = The answer is a percentage.

Amount = The answer is a total value (e.g. What is the current number of tax parcels in your county?).

Essay = The answer is provided in paragraph form.

Unique List of MCDs = The answers are a list of minor civil divisions unique for the county.

\* = Combination questions; includes both Yes/No and Essay or Simple List and Essay.
