Re: 2003 Annual President's Council Meeting

For those of you who attend this meeting annually, you are aware that there was not a meeting held last year, 2002. This year, the Wisconsin Real Property Listers Association has the honor of hosting. Those of you that are new or have never attended one of these meetings, it is a discussion of common interests of all the groups attending, and is very informative and worthwhile. Legislative and technology issues are just an example of a few things that can/will be discussed at this meeting.

The meeting has been scheduled for Tuesday, October 7th beginning at 9:00am & concluding at 3:00pm at the Kalahari Resort in Wisconsin Dells. Lunch will be ordered from a menu and each person is responsible for their own. Refreshments will be provided in the morning and at an afternoon break.

I am sending this invite out now because I am requesting that you please let me know if you will be attending. I also need to know if you will need to stay overnight, so I can have rooms blocked for the group. I need a head count for the meeting room and for lunch. An agenda and the specifics of the meeting room will be sent out in September to those of you who respond that you will be attending.

I look forward to hearing from all of you.
