March 20, 2017

Wood County
Request for Proposal
PLSS Corner Perpetuation and Maintenance
Due By: April 4, 2017 at 4:30 p.m.

Wood County, Wisconsin is seeking proposals for contracted services of a Professional Land Surveyor registered in the State of Wisconsin to establish and maintain 121 PLSS section and quarter section corners as part of the county wide maintenance program. Wood County is seeking a lump sum bid covering the scope of services detailed in this request for proposal. All proposers are responsible for researching authoritative information that is necessary to respond to this request for proposal.

The complete Request for Proposal can be viewed at the following web address.
